Apache Geronimo Committers

The people listed below have made significant contributions to Geronimo by working long and hard to make quality software for the rest of the world to use.

In addition to being committers, some of the following people are also members of the Project Management Committee (PMC). Refer to the [How the ASF works](#) for details on meritocracy.

If you would like to contribute to Geronimo, please check the [Get Involved](#) page to see how you can contribute.
