Get Involved

Join the Apache Geronimo Community

The Apache Geronimo project is built by the open source community for the open source community - we welcome your input and contributions!

Show your support!

Use the following email closing template and/or Geronimo Logo to help show your support and involvement with Apache Geronimo.

What we are looking for

- Source code and fixes contributions
- Documentation assistance
- Product and feature suggestions
- Detailed and constructive feedback
- Articles and whitepapers

Where do I start?

- To discuss Apache Geronimo topics check out the mailing lists.
- Informal discussion also occurs on the #geronimo IRC channel on freenode.net. A log of this discussion can be found here.
- Bugs and other issues can be posted on the project JIRA.
- Additional documentation and discussion can be found on the project wiki.

Want to contribute to project's documentation?
