

2009-12-01

December 1, 2009

The following releases have been performed:

- * servicemix-pom 4
- * servicemix-utils 1.2.0
- * servicemix-specs 1.40
- * several osgi bundles from third party
libraries (quartz 1.6.6, juel 2.1.1, ...)

The POMs include mainly cleanup and dependencies upgrade
in preparation for the next components release iteration.

The SMX 4.1 release is on the road, including new Felix
Karaf and components release.

No changes in the committers or pmc members list.
