

HUE and Sqoop 2 Integration

Work in Progeess

This wiki will track all the sqoop work in the recent past that will need small to significant changes in the HUE app going forward

| Sqoop Feature | HUE support | Status in SQOOP release version | Status in HUE release version |
|---------------|---|---------------------------------|-------------------------------|
| SQOOP-1367 | | 1.99.4 | |
| SQOOP-1509 | | 1.99.4 | |
| SQOOP-1525 | For SQOOP-1525, Kerberos is supported in SQOOP 2, so SPNEGO should be supported when running the Restful call. SPNEGO support in HUE: https://issues.cloudera.org/browse/HUE-892 | 1.99.5 | |
| SQOOP-2162 | Backward compatible APIs | 1.99.6 | |
