

Announcing the Struts 2 Plugin Registry

Welcome to the new Struts 2 Plugin Registry, the place to publish and search for bundled and third-party Struts 2 plugins. For more about plugins, see the [Plugins](#) page. Feel free to use this announcement/news section to let other users know of any new plugin you developed. As a Struts user, you can follow plugin developments in your favorite RSS feeder by subscribing these feeds:

- [New announcements](#)
- [New plugin pages](#)
- [Updated plugin pages](#)
- [New comments](#)
