

Roles and responsibilities

Responsibilities of a committer:

- Get familiar with committer guides and resources at Apache: [New committers guide](#), [dev resources](#)
- Subscribe to project mailing lists
- Keep website, wiki upto date along with continued contributions to the project.

Responsibilities of a PPMC:

- Please refer to the [Apache PPMC](#) guide
- PPMC responsibilities include responsibilities of committers(see above)
- Subscribe to private@sentry.apache.org
- Board reports: PMC will prepare the board report
 - Care should be taken to submit these on time - recommended to send at least 1 week before board meeting
 - Schedule for 2016: April, May, June, September, December
 - 2017 and further: April, June, September, December
 - Guide on what to report: <http://apache.org/foundation/board/reporting>
- Propose new committers/PPMC and once elected direct the candidate to appropriate resources.
