

Sling book

Page for gathering objectives and implementation ideas regarding the Sling book initiative initially discussed in the [\[Happy new year\] A new year with Sling \(2013 Recap and a wishlist for 2014\)](#) mailing list thread.

Objectives (unstructured)

- "The golden goal would be a book covering all the stable parts of sling. IMHO it is essential for the success of Sling in the next years to flatten the learningcurve."

Implementation ideas

- "use the recently contributed samples/mail-archive as the supporting app for a more complete description of how to write Sling apps"
