

# Apache NetBeans Meetings

## 08/21/2018 Meeting Notes

### 1. Introductions.

#### 2. Status -- we discussed and looked at the following:

- <https://netbeans.apache.org/>

- <https://netbeans.apache.org/download/index.html>

- 

- <https://cwiki.apache.org/confluence/display/NETBEANS/2nd+Donation%3A+List+of+Modules+to+Review>

- <https://github.com/apache/incubator-netbeans>

- <https://blogs.apache.org/netbeans/>

- 

- <https://cwiki.apache.org/confluence/display/NETBEANS/Apache+NetBeans+Release+Cycle>

#### 3. How to be involved -- we discussed the following:

- review/relicense modules from 2nd donation:

- <https://cwiki.apache.org/confluence/display/NETBEANS/2nd+Donation%3A+List+of+Modules+to+Review>

- review and comment on PRs:

- <https://github.com/apache/incubator-netbeans/pulls>

- tweet about Apache NetBeans: <https://twitter.com/search?q=netbeans>

#### 4. Discussions, ideas

- Alexius is going to add a big download button on this page via a PR to

- the website: <https://netbeans.apache.org/download/nb90/nb90.html>

- Zoran (and one or two others, I think, including Alexius) suggested the idea of "Apache NetBeans developer of the month":
