

Contributions to Curator

Contributions

Curator is being extended by third parties. Here are some of the extensions:

Netflix	Netflix (the original creator of Curator) maintains some Curator extensions at: https://github.com/Netflix/curator
Bazaarvoice	Helpers that extend the functionality of Curator: https://github.com/bazaarvoice/curator-extensions
Rackspace	Service Registry Bindings for Netflix Curator: http://devops.rackspace.com/service-registry-curator-bindings.html
