Version 1.1.0-incubating

Information
Release Date: March 25, 2012
Release Type: beta
Binaries: http://archive.apache.org/dist/incubator/flume/flume-1.1.0-incubating/

Known Issues

- Runtime reconfiguration of Avro or Netcat source causes port bind exception (FLUME-1036)
- Failover sink processor does not handle downstream exceptions in a predictable manner (FLUME-1030)
- Failover sink processor replaces sinks with same priority (FLUME-1002)
