Introduction

This survey was created to get feedback about the Apache OFBiz Community Day held in May 2019 (**24th – 28th May**).

The information gathered will be used to help us to improve future Community Days.

- A total of 19 responses were recorded and the details are recorded below.

Response Frequency

The survey was open for a total of 1 week (29th May - 05th June 2019).

Survey Questions

Question 1: Please tell us about yourself. Are you

Answered: 19 Skipped: 0

ANSWER CHOICES	RESPONSES
▼ An OFBiz End User Only	0.00% 0
▼ An OFBiz Integrator Only	0.00% 0
▼ An OFBiz Contributor Only	42.11% 8
▼ An OFBiz End User, Contributor and Integrator	57.89% 11
▼ A Possible future End User, Contributor or Integrator	0.00% 0
▼ None of the above	0.00% 0
TOTAL	19

Comments :

- The objective of this question was to find out the profile of the people participating in the Community Day.
- The question was phrased specifically to identify End Users and Contributors as the previous community survey indicated the community profile was largely integrator based. Attracting more contributors and End Users is a key goal for the project.
- Only one response was allowed.

Conclusions :

- The majority of respondents fell into the category of End User, Contributor and Integrator. This was expected based on the results of previous surveys showing a high integrator base.
- 8 respondents classified themselves as Contributors Only. This is interesting because it indicates that people are willing to contribute to OFBiz even though their work may not be related to setting up OFBiz for other people. People in this category could also possibly be End Users also but the way the question was phrased didn't capture this.

Question 2: What version of Apache OFBiz do you run?

Answered: 17 Skipped: 2

ANSWER CHOICES	RESPONSES
▼ Trunk	82.35% 14
▼ 18.12	29.41% 5
▼ 17.12	52.94% 9
▼ 16.11	23.53% 4
▼ 14.12 or earlier	17.65% 3
▼ I'm not running OFBiz	0.00% 0
Total Respondents: 17	

Comments :

- The objective of this question was to understand which versions of OFBiz our respondents were running.

Conclusions :

- The main version being used was the Trunk, followed by 17.12. This is interesting because these are unreleased versions that offer the most up to date functionality.
- It is still interesting to see that 4 people were running 14.12 or earlier.

Question 3: During the Community Day, did you work

Answered: 18 Skipped: 1

ANSWER CHOICES	RESPONSES
▼ alone	16.67% 3
▼ as part of a team together in one place	77.78% 14
▼ remotely with one or more community members	5.56% 1
TOTAL	18

Comments :

- The objective of this question was to understand how much collaboration or group working occurred
- It was phrased specifically to separate group and remote collaboration
- Only one response was allowed

Conclusions :

- The majority of respondents worked together as part of a team in one place.
- An interesting result was the remote working with one or more community members.

Question 4: During the OFBiz Community Day, what was the main thing you worked on?

Answered: 19 Skipped: 0

ANSWER CHOICES	RESPONSES
▼ Bug Fixing	63.16% 12
▼ Documentation Updates	21.05% 4
▼ Improvements or New Features	63.16% 12
▼ Reviewing and Testing Patches	26.32% 5
▼ Other	10.53% 2
Total Respondents: 19	

Comments :

- The objective of this question was to find out which areas were worked on
- It could also be used to find out which were the most popular areas the community wanted to work on

Conclusions :

- The majority of respondents worked on fixing bugs and implementation of new features.
- People also spent time on documentation and reviewing and testing patches, which is really good.

Question 5: How much time did you spend working on OFBiz Community Day activities?

Answered: 19 Skipped: 0

ANSWER CHOICES	RESPONSES
Over 7 hours	36.84% 7
5 to 7 hours	52.63% 10
2 to 5 hours	10.53% 2
1 to 2 hours	0.00% 0
TOTAL	19

Comments :

- The objective of this question was to find out how much time was spent working on tasks during the Community Day
- Only one response was allowed

Conclusions :

- The majority of people (52.63%) spent 5 to 7 hours working on Community Day tasks.
- It was interesting to see 7 people spend over 7 hours for Community Day.

Question 6: Evaluate the following statements

Answered: 18 Skipped: 1

	STRONGLY DISAGREE	DISAGREE	NEITHER DISAGREE NOR AGREE	AGREE	STRONGLY AGREE	TOTAL
Details about the Community Day were well communicated	5.56% 1	0.00% 0	11.11% 2	44.44% 8	38.89% 7	18
Community Days could be improved by more organization and co-ordination	0.00% 0	5.56% 1	5.56% 1	72.22% 13	16.67% 3	18
It would be good to make more effort to organize collaborative work on a Community Day	0.00% 0	5.56% 1	16.67% 3	55.56% 10	22.22% 4	18

Comments :

- The objective of this question was to find out whether the communications or preparations for the Community Day were adequate and whether more planning or organisation was required
- It was also a question that asked if the community wanted more structure for the community day and more collaboration
- One response was allowed for each statement

Conclusions :

- The majority of respondents thought that the Community Day details were well communicated. Details were published on the project mailing lists.
- There was a mixed response around planning and organisation.

Question 7: Would you participate in future OFBiz Community Days?

Answered: 19 Skipped: 0

ANSWER CHOICES	RESPONSES
▼ Yes	89.47% 17
▼ Perhaps	10.53% 2
▼ No	0.00% 0
TOTAL	19

Conclusion :

Majority of people will participate in future community day, it's great news! 😊

Question 8: How frequently would you like OFBiz Community Days to be held?

Answered: 19 Skipped: 0

ANSWER CHOICES	RESPONSES
More than four times a year	47.37% 9
Four times a year	47.37% 9
Twice a year	5.26% 1
Once a year	0.00% 0
Not at all	0.00% 0
TOTAL	19

Conclusion :

Mixed responses are found in doing community day 4 times and more than 4 times in a year. Good things is everyone wants the community day should happen frequent.

Question 9: Overall, how would you rate the OFBiz Community Day?

Answered: 19 Skipped: 0

ANSWER CHOICES	RESPONSES
▼ Excellent	36.84% 7
▼ Good	52.63% 10
▼ Average	5.26% 1
▼ Not good at all	5.26% 1
TOTAL	19

Conclusion :

Overall people are happy with community days.

Final Comments

Thank you to everyone who completed the survey that enabled me to provide these results and details. I hope that these are useful to the community now and into the future as we continue to look and survey our community base.

Please feel to leave any comments or observations.
