

# NetCAT 12.0 Participants

If you want to become a [NetCAT](#) 12.0 participant, to help kick Apache NetBeans 12.0 tires prior to its release, please perform the following three simple steps:

1. subscribe to [NetCAT mailing list](#)
2. register yourself in the table below or [send an e-mail](#) with requested information to the NetCAT mailing list you subscribed to in the previous step if you cannot edit this Wiki page
3. create your account in [Synergy](#) NetBeans test case management system
