

# 2021-04-13 TC Working Group Agenda

- Do we want to convert Traffic Router to Kotlin?
- <https://github.com/apache/trafficcontrol/issues/5704> is filed for misc/release.pl. Do we want to fix that in Perl or rewrite it and fix the rewrite?
- Why do we have 541 open issues?
- Why do we have 82. open PRs?
