About the Struts 2 Wiki Space

The Struts 2 Wiki is a **community-supported** resource. To contribute to the wiki space, simply create a [CWIKI Confluence](#) account.

The Struts 2 Community Wiki space is not bundled with the Struts 2 distribution, but it is still an exciting and valuable community resource!

Visit the [Struts 2 Documentation](#) *Documentation* for the official project documentation!

Some of the pages here include:
