

Open Infrastructure Requests

Title	Number	Created	Priority	Comments	Status
Pootle: cleanup obsolete projects for AOO	INFRA-4964	2012-06-26	Low	The obsolete projects may cause some confusion, but otherwise they do no harm.	Waiting for Infra
Apache OpenOffice (incubating) - redirect for URL http://update32.services.openoffice.org/ProductUpdateService/check.Update	INFRA-5112	2012-08-03	Medium	Needed to enable upgrade notifications to OOo 3.1 and 3.1.1 users	Closed, completed.
Pootle: accepting suggestions feature doesn't work	INFRA-4917	2012-06-14	High	This configuration issue blocks most legacy OpenOffice translators from contributing to the project.	Waiting for Infra
Pootle: AOO supports more languages than currently supported by the Pootle instance at Apache	INFRA-4918	2012-06-14	Medium	This configuration issue prevents us from working with some languages, like Uyghur, that are not part of the default Pootle configuration. Dozens of languages supported by OpenOffice.org 3.3.0 cannot be brought into Pootle as currently configured.	Waiting for Infra
Url change request for user.services.openoffice.org	INFRA-5041	2012-07-11	Low	Nice to have, will allow using forum.openoffice.org and wiki.openoffice.org.	Closed, completed.
More Buildbots for Apache OpenOffice	INFRA-4197	2011-12-08	???	Has a number of sub-issues	Waiting for Infra
Transfer OOo related Domains (from Oracle to ASF)	INFRA-4906	2012-06-13	Low	Not related to the openoffice.org site, but to previous scam sites	Waiting for Infra
Create Overview page for all AOO buildbots	INFRA-4905	2012-06-12	???	—	Waiting for Infra
Automatic updates from Repository into Bugzilla	INFRA-5004	2012-07-05	???	—	Waiting for Infra
Lang Redirects for www.openoffice.org	INFRA-4624	2012-03-30	Medium	Links are embedded in the Start Center; they all go the English site now	Closed, completed.
Deploy test management tool, testlink	INFRA-5072	2012-07-23	Major	QA request test case management tool for AOO test project.	Closed, won't fix
Create CentOS 5 image for tethys	INFRA-6217	2013-04-30	Major	New Linux 32 buildbot	Waiting for Infra.
