

Automated installation of VCL and Xcat

This is a work in progress describing the development of an automatic installation for VCL and Xcat.

The precursor work is available on this site at <https://cwiki.apache.org/confluence/display/VCL/Automated+Installation+of+VCL>

An overview is available here: https://cwiki.apache.org/confluence/download/attachments/30739464/vcl_autoconfig_overview.pdf
