About NFL 2013-2014 Season: The 2013 NFL season, the 94th regular season of the National Football League, is tentatively set to begin Thursday, September 5, 2013, with the defending Super Bowl XLVII champions Baltimore Ravens playing in the annual kickoff game. The Ravens were expected to host that game; however, due to a scheduling conflict with the Baltimore Orioles, whose stadium (Oriole Park at Camden Yards) shares parking with the Ravens' M&T Bank Stadium, the Ravens will be forced to open the season on the road against the Denver Broncos in a rematch of a 2012 Divisional Round playoff game. The season will end with Super Bowl XLVIII, the league's championship game, on Sunday, February 2, 2014, at MetLife Stadium in East Rutherford, New Jersey.
