Support

The following information points to the Apache Joshua community mailing lists and possibly other support resources which have been added over time.

Mailing Lists

You can join the various Joshua mailing by sending an email to the following addresses.

Email (to subscribe)...	For...	Archive
dev-subscribe@joshua.incubator.apache.org	community and code development discussions	https://lists.apache.org/list.html?dev@joshua.apache.org
commits-subscribe@joshua.incubator.apache.org	notices about code commits	https://lists.apache.org/list.html?commits@joshua.apache.org
user-subscribe@joshua.incubator.apache.org	user questions and problems	https://lists.apache.org/list.html?user@joshua.apache.org

You can also subscribe to both of the above in a digest manner by appending "-digest" to the name portion of the email addresses above.
