

Demos

Promising demos to compel the crowd.

To Contribute

First, [sign up](#) for access to this wiki.

Then, write to dev@annotator.apache.org to request access to edit the Apache Annotator wiki space—be sure to mention your username here!

We'll do the rest.

Clipboard Annotations

by [Randall Leeds](#)

<http://run.plnkr.co/plunks/FjibLnSREIKG3k5s5jH9/>

Make a selection to view 3 different media types highlighted in the textarea below the text. The JSON one is a Web Annotation document.

Copy a selection, click somewhere else (removing the selection), then Paste ("Ctrl/Cmd + V") the selection and the highlight is re-anchored.
