

# Area 1 - Collaboration

---

 [ATLAS-4838](#) - Area 1 of the open metadata model CLOSED

---

<== Back to [Area 0 - Extensions to the base model](#) | Forward to [Area 2 - Assets and Connectors](#) ==> | Models for referenced objects: [Referenceable](#)

---

Area 1 covers the people and teams using the data resource along with the organization structure that organize their work. See <https://odpi.github.io/egeria/open-metadata-publication/website/open-metadata-types/Area-1-models.html>
